1. Subject to the provisions of paragraph. 2-3 below, payment for Goods or Services occurs on delivery of the Goods or when Services are commissioned.

3. Due to the fact that Credit Limit is granted on the basis of data and documents valid at a specific date, and in addition due to the fact that ACTION insures its receivables and is obliged to respect agreements made with its Insurer regarding the risk associated with Credit Limits, in the event that ACTION (including in agreement with the Insurer) that the Counterparty does not meet the conditions for using the Credit Limit and Credit Limit in the amount granted so far, ACTION reserves the right to unilaterally change the amount or payment term of the Credit Limit, revoke Credit Limit already granted, as well as it has the right to maintain the amount or repayment period of Credit Loan only on condition that the Counterparty shall provide further securities and documents. Information about changes in the Credit Limit will be available in I-SERWIS and will be sent to the Counterparty's email address. ACTION is not responsible for the effects of changes or withdrawal of Credit Limit.

4. The Counterparty undertakes to pay for Goods or Services in a timely manner. If the Counterparty fails to fulfil the term of payment indicated on an invoice, ACTION will be entitled to request from the Counterparty to pay for the delay interest at a statutory amount and will charge the Counterparty in interest notes. Interest notes may also be sent to the Counterparty's email address. If a payment reminder sent to the Counterparty to pay the principal amount together with interest for delay proves to be ineffective, i.e. the Counterparty does not pay his debt, ACTION will be entitled to undertake debt collection activities by itself or through debt collection companies. The costs of collection activities and the costs paid by ACTION to professional debt collection entities shall be borne by the Counterparty.

5. Detailed information about payments and terms of granting the Credit Limit are published on ACTION's website at: <http://www.action.pl/pl/klient/warunki-wspolpracy> .
